Thank you for joining us at our annual Back to School night. At 5:30 please join us in the school gym to hear the principal's message and kick off for the year. During the evening, the cafeteria will have tables where parents can support Mustang Round Up, learn about clubs and organizations, and purchase school spirit items.

At 5:30 we will share the PTA budget, learn more about how to get involved at O. Henry. We will also highlight our campus goals for the school year and introduce our faculty. Classroom visits begin promptly with A.C.E.S. at 5:50 p.m.

Please bring this schedule to guide you through the night. Student schedules can also be accessed via the parent portal.

See you on Wednesday!
